

Omarama Gazette

February 2022

Let's take this on together

To our Omarama Community,
Let's talk about Covid-19 Omicron.

We're a small community well-used to looking out for each other.

A group of us have decided it would be good to have a bit of a plan in place ahead of this bugger hitting town because we are used to being self-sufficient, have unique needs and we are further away from usual resources.

So, we're working on an Omarama-specific plan to support the professionals and agencies as they go about their good work.

Remember: this is not under action – we're just putting a framework in place in case it is needed and so we can be quick off the mark.

We will update this as we go and if we don't need to use it, fantastic!

PERSONAL HOUSEHOLD PREPARATION

What will happen if you or someone in your family tests positive for Covid-19?

[Find good info here: <https://wellsouth.nz/community/covid-in-the-community/>]

Most people who get Covid will be cared for at home, with medical care provided by phone or video consultation by a health provider - often your own general practice team.

Most people will not need to go to hospital.

☐ You will be contacted either daily or every second day by your doctor, nurse or other trusted health provider by video call or phone. (A patient who does not have a smart phone or data, will be provided with the support they require.)

☐ Everyone who tests positive and their household needs to stay at home and avoid contact with others. It is an idea to work out now what you will do if someone in your home gets sick or someone must go to hospital.

Remember: you might be the one who gets sick. Is there someone at home who knows how to fill in for you?

-continued over

Let's take this on together

If you are a visitor to Ōmārama and test positive you will need to stay put until cleared to return to your home – the health provider will advise you of the measures you must take.

[Find good info here: Ministry of Health help sheet

<https://covid19.govt.nz/assets/resources/posters/COVID-19-Readiness-Checklist.pdf>]

☐ Stock up on: masks, gloves, tissues, hand sanitiser, rubbish bags, cleaning products, cough / throat / sinus treatments for your nose and throat-like nasal sprays, lozenges and cough mixture, fever and pain relief.

It is recommended you have two days food and supplies, so if you or someone you live with has a Covid test you can safely self-isolate until you receive the result.

If possible, it's a great idea to have two weeks' supply of any medications, food and other necessities as well.

COMMUNITY PREPARATION

Here's what we'd like you to do for our helpers

☐ Work out how to let people know you are isolating, this could be a sign for your front door or fence. Set up a sanitising station at your door and let your support person know how they can best alert you to contactless drop-offs, have pen and paper for people to record their details if they are helping with contactless drop off.

☐ Write down any household instructions someone else can follow if you get sick; like feeding pets, paying bills and watering plants.

HERE'S WHERE YOU CAN HELP

Right now Ōmārama volunteer coordinators (as listed below) are organising their teams to offer the following community support and support to professionals and agencies, in case of an outbreak in town.

☐ Rural tasks (complementing the work of the Rural Support Trust)

Annabelle and Richard Subtil; subtil@omaramastation.co.nz

Annabelle 027 406 9522, Richard 027 208 9096

☐ A pop up 'meals on wheels' operations using the community centre commercial kitchen as base.

Carolynne Grant, kevingrant@xtra.co.nz 03 438 9742 and leave a message.

Georgie Robertson, huntly@xtra.co.nz 027 486 1525

☐ Keeping connected - this person will hold a list of vulnerable people.

Ruth Grundy, ruthgrundy@gmail.com 021 294 8002

Adrienne Harper, adrienneharper@gmail.com 021 139 2817

- ☐ Taking care of visitors and hospitality industry advice
(If you accommodating guests in any way e.g. airbnb and have questions, give Megan a call)
Megan Talarico, gm@heritagegateway.co.nz 021 545 566
- ☐ Deliveries and drop-offs (other than meals as above)
Alona Shaw Alona.Shaw@foursquare-si.co.nz 027 773 4214
- ☐ Pets and plants and necessary chores. TBA

**We need volunteers for each of these teams.
Please contact the relevant coordinators.
All volunteers must be vaccinated.**

To make certain you are on the list to receive these local notices email omaramagazette@gmail.com and put 'local list' in the subject box. We'll do our level best to get the messages to you.

The volunteers involved in the development of this community plan include Omarama Police, FENZ Omarama, Otago Rural Support Trust, Omarama Resident's Association and Omarama business representatives.

Outside agencies - emergency services, medical practices, health and welfare will be able to 'feed into' this plan.

...from the editor

Happy 2022 to all

The Omarama Gazette is celebrating the New Year with a new look and a new direction.

This year I will be taking a step back from the front line and the front page and encouraging all of you as citizen journalists to grab a notebook, pen a line, click off a pic and flick it into our community newspaper.

As you will see from this first issue in the new format the change is inspiring.

Thank you, guys, for your contributions – you have brought our place alive.

This year there will be more of a focus on the community group report and the Noticeboard sections - let us all know what you are up to and any little snippets such as congratulations or farewells.

There are some guidelines and the usual editorial standards will apply.

Contributions of up to 500 words with a minimum of one photo are welcome – as you know most of us have short attention spans.

Contributions must carry a byline, will be fact checked, must be fair and ethical; balancing opinion may be sought.

No promotional or corporate media 'manufactured' pieces, will be accepted.

We want to read those 'exclusives'.

Let's read all about it and read it here first – let's have news and more you've never heard before!

Go on, it's time we all had some fun!

\$2000 raised for youth in Bo's memory

Family and friends of Omarama pilot Bo Nilsson have raised \$2000 in his memory. The money is to be used for local youth gliding in Omarama. Bo died in a plane crash on Labour Day.

Bo's daughter Birgitta said she was very appreciative of people's generous donations.

"It makes me feel dad was very loved and respected.

"As you know flying was dad's passion and he loved seeing that same passion and excitement in young people so this is where we will spend the donation money."

The Omarama Gliding Club will put money into the youth gliders' flying account, pay their entry fees and also contributions towards tow costs, and where applicable glider costs for those participating in competitions, furthering their flying training or to support their participation in upskilling mountain flying courses.

Spokeswoman for the Omarama Gliding Club Yvonne Loader said the donation money raised in Bo's memory for Youth Glide flying truly reflected the high esteem in which Bo was held in the gliding community, in particular for his cross country and mountain flying soaring skills.

"He loved his micro light aircraft flying and often took off to quietly enjoy a day in the valleys and mountains landing on riverbeds and small strips. Bo was very experienced in this type of flying so his accident and passing came as a huge shock with his cheery presence around the airfield being sadly missed."

Bo took a great interest in young people learning to fly through the 10-day Youth Soaring Development camp held annually at Omarama, Youth Glide Omarama (previously run by Glide Omarama) and the Youth Glide programme run by the Omarama Gliding Club which raises funds to support Youth Glide members through their organisation of the South Island Gliding Championship Regionals.

A flight experience and learn to fly programme is run throughout the year in conjunction with the Twizel school in addition to encouraging youth from elsewhere. It was nearly always Bo's microlight which flew Father Christmas much to the delight of the children.

"Yvonne wished to convey that the Omarama Gliding Club, on behalf of its Youth Glide members, gratefully acknowledged the generosity of those who contributed to this donation in Bo's name. "Thank you so much."

ICYMI - Maurice Cowie, this is your life!

Maurice James Cowie (70) – this is your life – and one hellava surprise, mate! In what was engineered over very many months to be a massive surprise by those closest to him [and we did think about dialling 111 to get you there!!!], about 40 friends, colleagues, and associates gathered at Oasis Café Bar and Grill in December to pay tribute to Maurice and the more than 50 years of service he has given to the Ōmārama community.

Ōmārama Kuia Sharon Herd, of Ngāti Raukawa, wearing her family korowai, greeted Maurice, who is of Ngai Tahu heritage, and presented him with a photobook about his life of service compiled and written by local historian and 'partner in crime' Lex Perriam.

"So, Maurice from the north to the south on behalf of the people of Ōmārama Community

I would like you to accept this book with the highest blessings," Sharon said.

"[Maurice is a] highly respected local, always in the background, encouraging, sharing his wisdom," Mrs Herd said.

There was not a dry eye in the house, including Maurice's, and that man of few words was speechless.

The book is a photographic history of a long-time friendship, Lex and Maurice's many adventures and community service.

Lex described Maurice as the 'Last of the Mohicans' and listed the many ways Maurice has served the community over the years.

Next year Maurice, who is Fenz Ōmārama Station Officer, celebrates 50 years of service with the fire brigade.

He followed in the footsteps of older brother Graeme who was one of the group of six locals instrumental in setting up a 'fire party' under the Waitaki Catchment Board in 1966, and he has watched the Ōmārama emergency service change and grow to where it is today.

Plus, he has added Land Search and Rescue volunteer to his resume.

It's only fitting. Maurice knows the reaches of the valleys and mountains like the back of his hand and more than one trumper whose plans have gone awry has Maurice to thank for conquering the elements to reach them.

Lex first met Maurice when he moved to Ōmārama in 1975 and said he had always been an "unselfish and committed volunteer...a dedicated community man with a supportive family."

At present a respected employee of the Patterson family, Maurice's day jobs have lined up alongside his great love of the outdoors.

He has worked variously as a machine operator, mechanic, hunting guide and builder – most of all an all round "trouble shooter".

And during his career has worked for the New Zealand Forest Service and later the Department of Conservation.

Lex would like to thank the following sponsors: Michelle and Todd Hancox, Oasis restaurant; Ann Patterson and family; Mat Bayliss; Lindsay and Bev Purvis; Kingsley and Dewlyn Timpson; Ōmārama Land Search and Rescue; Bruce and Julie Dyson, Boots and Jandals Hotel; Fenz Ōmārama, Greg and Adrienne Harper.

And thanks to Simon Reeves, of White Bus Company Productions who compiled the book and assisted with publication.

Ōmārama Volunteer Fire Brigade

Happy New Year to all,

I hope you all had a nice relaxing break. Unbelievable, here we are in February already. Things have got very dry very fast. We are now in a Prohibited fire season which means no fires. You can still fire up the BBQ but please make sure it is a safe place away from anything that could ignite. The fuel loading is very high everywhere. If you notice anybody lighting campfires etc. please dial 111 so it can be dealt with straight away. It looks like Omicron (Covid 19) is on its way so let's take all the precautions we can to keep ourselves safe. If you are unfortunate enough to

require our help we will be asking some questions around Covid exposures and symptoms before we start any assistance. We will also be donning some extra PPE i.e. gowns, goggles etc. We must look after ourselves as well as our patients' because, if one or more of us gets infected, help may have to come from out of town.

I know these are trying times for a lot of us so please check in with your friends and neighbours regularly. Nothing like a chat to keep you going.

Stay Safe

Ōmārama Golf Club

By Christine Bowman

It's been wonderful to see the golf course being well utilised over the last couple of months. We have had approx. 200 green fee players from across country enjoying our course. Due to the early summer rain the course was green, and we received numerous compliments on our local community course. Now summer has kicked in the fairways have dried out, so its impressive watching the big hitters golf balls fly for metres through the air (or sometimes into trees!!).

On Saturday 22nd January John Anderson scored two eagles (2 under par). First was on our par 5-hole number 8 and repeated it again same hole second time round (number 17). A great achievement.

Our New Year tournament, held on 8th January, was a huge success with 85 entries. Each year, we enjoy catching up with our regular visitors and we also welcome new visitors who have never played at Omarama. The day was run with a morning and afternoon session, to ensure the play flowed. A big thanks to our many sponsors for prizes/raffles and all our volunteers for mowing, cooking, cleaning, spraying, cutting trees, weed eating, doing dishes etc etc . Without our sponsors/volunteers the day wouldn't be the huge success it was.

The main results are as follows:

Overall winner: Paula Goodman (Geraldine), 42 stablefords (Millbrook Golf voucher)

Senior Men: Scott Kitto (Omarama) 40 stablefords, 1 (Terrace Downs Golf Voucher);

(0 –15) Pete Trusler (Omarama) 38 stablefords, 2; Richard Kitto (North Otago) 38 stablefords 3.

Junior Men:Paul Bowman (Omarama) 40 stablefords 1 (Terrace Downs Golf Voucher);

(15 and above) Mark Black (Ben Ohau) 40 stablefords 2; Phil Kennard (Omarama) 39 stablefords 3.

Ladies: Paula Goodman as above 1; Juliet McLeod (Mayfield) 40 stablefords 2;

Patsy Milne (Gleniti) 38 stablefords, 3; Rebecca Best (Omarama) 38 stablefords, 4.

The club was fortunate to receive a grant from NZ Community Trust Net Proceeds Committee in December. This money will go towards our project of putting new carpet tiles in the clubrooms and upgrading the lady's toilet. Our current carpet is heavily stained and sun damaged. The lady's toilet floor has been water damaged, so we will be laying new vinyl in the area. This project will ensure the clubrooms remains fit for purpose for years to come.

During January on Thursday's at 5 p.m. we have been playing twilight golf (9 holes), which had good turn outs to enjoy our summer weather in Omarama.

Summer golf club day is Saturdays, 12.30 p.m. cards in and tee off 1.00 p.m. ALL WELCOME.

Ōmārama Gliding Club

By Omarama Gliding Club president Brian Savage

December and January saw several events in Omarama. First was a Mountain Flying Course where pilots come from all over NZ to learn and experience flying in the mountains around Omarama.

This was followed by the South Island Regional competition, then In January Youth Glide NZ held a camp (see report below). Key for Omarama Gliding Club was two of our members, Jack McLellan and Fred Grant went solo, and Tuulianna Laukkanen achieved her 50km certificate. All are members of our Twizel School Juniors group. We had 11 people on the Mountain Flying course, as many as we ever had, and we experienced two of the best days flying so far this year, with flights ranging from Mt Aspiring to Mt Cook. Not bad for an aeroplane without an engine!

A new feature of this year's course was outlanding training on two local strips – Riverside and Clearburn. Outlanding is an experience all glider pilots must learn how to perform, when the lift disappears, we have to land somewhere, so we carry maps showing all the farm strips throughout the region.

Although they had just had two fantastic days of flying, outlanding training all agreed was great fun, we had ground teams on both to shepherd the gliders and tow planes shuttling between the two strips relaunching the gliders.

Big thanks to Riverside and Clearburn stations for allowing us to do this, we have donated to the Omarama First Responders as a thank you.

The second event was the South Island Regional Gliding Competition, which was attempted during the worst week of flying weather we could have picked. Entries were also down due to Covid. 22 pilots entered, about 2/3 a normal entry, from South Island and Wellington; Auckland and Australia being blocked from travelling. Desperation showed us pushing to fly on only two days out of the week in very difficult conditions, with many gliders failing to make the courses and outlanding or returning to Omarama early.

So, two days flying doesn't make a competition, so for the first time in most pilot's memories we had to abandon the competition, better luck next year!

January has seen weather much improved, and flying has taken place on most days.

Youth Glide New Zealand

REPORT ON THE 2022 YOUTH SOARING DEVELOPMENT CAMP

By Youth Glide New Zealand director of operations Roger Read

Twenty-two keen young pilots from around the country gathered at the Omarama Airfield terminal building on the evening of January 5th to meet, greet and hear what was install for them over the next 10 days as the annual Youth Soaring Development Camp got underway. Helped by 26 volunteer instructors, tow pilots, winch drivers, caterers, cleaners, engineers and general helpers, mostly from the “local” area, the next 10 days were challenging but packed with action and fun. Favourable weather, generous support, enthusiastic participants and a lack of Covid hassles allowed the camp to be a huge success.

Omarama, our gliding Mecca, turned on a fantastic mix of wave, ridge, thermal and convergence soaring with some having wave flights up to 20,000 ft and thermals to 10,000 ft. 439 flights were flown with 229 of them being off the resident Skylaunch winch. This mighty bit of machinery regularly saw them get to over 2000 feet above the airfield from their launch and this then allowed them to head off to the nearby lift sources of Mt Horrible. Parents of students provided the winch driving expertise and it was a special occasion half way through the camp when the 1000th launch since the winch arrived in Jan 2000 was done.

Over 400 hours were flown and early starts saw launching often underway before 8am as the pre-solo students took advantage of the calm morning conditions for training. Eight students made their First Solos and enjoyed the ritual celebratory dousing with buckets of cool Omarama water provided by instructors, family and

fellow YG pilots. Four of the eight new solo pilots are from the Omarama Gliding Club so this bodes well for the continuing growth of the club.

More advanced students honed their soaring skills with longer duration flights and cross country soaring adventures that saw them going hundreds of kilometres from the field...all powered by the atmospheric energy provided by mother nature. Many reported some of the best conditions they had seen for many years and on a few days, flying only finished just before darkness fell.

While the focus of the camp is developing our young pilots, the camp is renowned for providing opportunities for all pilots involved to grow their experience and qualifications and this camp lived up to expectations with instructors, tow pilots and winch drivers all coming away with their own achievements to have them smiling. The final night awards dinner, held in the terminal building, was a delicious three-course meal, all created and served from the Soaring Centre camp kitchen. Attended by 86 camp participants and parents, all enjoyed celebrating the achievements of the YG participants, all of whom were noticeably buzzing and beaming with pride after what had been a fun filled 10 days at Omarama...the best gliding site in NZ, and arguably the best in the whole world.

The Waitaki Newcomers Network

The Waitaki Multicultural Council has established the Waitaki Newcomers Network and Migrant Support Service which are both very successful initiatives. Within the Oamaru area there are many events where people can meet up and establish new friendships which helps them to settle happily into a new community. It can be difficult adjusting to a new place, especially if English is your second language, the culture is new and you have no family in the area. Making friends and learning about the area and what it offers is key to developing a sense of belonging and well being. In rural areas these challenges of isolation can be even greater.

We are starting our annual targeted weed control programme

From mid-February to March, we will be using helicopters (weather dependent) for aerial spraying of targeted weeds (mainly gorse, broom and willow) on the Waitaki, Pukaki, Tekapo and Ohau rivers.

Weed control measures in the open riverbed help flood flows pass through and enhance biodiversity values. The riverbeds will be surveyed to identify locations that require weed control. Only targeted weeds will be sprayed.

Twizel Medical Centre is a well-established and growing rural General Practice in the beautiful Mackenzie Basin.

We are currently seeking a Registered Nurse with interest in one or more of the following roles; casual practice nursing, casual district nursing and casual PRIME responder. Hours could be up to 0.3 FTE with the potential to grow. Start date is as soon as possible.

Work will be carried out at our Twizel clinic and/or potentially at our Tekapo Outreach clinic.

The successful candidate must have a current practicing certificate, be fully vaccinated against COVID-19, and will ideally have current cervical screening and immunisation certificates.

Experience in a remote rural general practice is preferred and PRIME training would be advantageous.

An additional 5.5 hours may be available in our weekly Covid Vaccination Clinic for a candidate with the required certification or willingness to undertake training.

In addition to being a team player, you will be a self-starter who can prioritise workflows and work under pressure.

Class 4 Gambling Venues Policy and TAB Venues Policy

PUBLIC CONSULTATION

Have
your say

Council is reviewing its policies on Gambling and TAB venues in Waitaki. Class 4 gambling venues operate gambling machines often referred to as pokies.

Council is interested in exploring a 'Sinking Lid' policy, which would see no new licences granted in the Waitaki District. **Tell us what you think.**

**Consultation opens on Tuesday 1 February 2022
and closes on Tuesday 1 March 2022.**

More information is available on the *Consultation* page of our website, from Council offices and Waitaki district libraries.
